How to Use This Workbook . . .

To Make Your Seminar and Textbook More Effective

- This Workbook is designed to facilitate note-taking during the Seminar and will lead you to a greater understanding of what is being taught. It contains all the necessary charts for you to fill in, as well as pages for your notes. One of the most beneficial aids in this Workbook is the list of Scripture verses that are quoted or referred to during the Seminar. They will help you gain a greater understanding of the material that will be presented during the week.
- After the evening session on Friday, first-timers may exchange the card in the front of this Workbook for a copy of the Basic Seminar Textbook. It is designed to be studied in conjunction with the many pages of notes that you will have taken by the end of the Seminar.
- The Workbook and the Textbook are intended to be foundational springboards, encouraging the deeply rewarding experience of your personal search for more truths from the inexhaustible pages of Scripture.

The Scripture references on these pages are quoted or indirectly referred to during the Seminar. They are the background for basic points and related insights. You are encouraged to study these verses before each session and after the Seminar is completed.

A course on seven universal, non-optional

PRINCIPLES OF LIFE

1. The Principle of DESIGN

Understanding the specific purposes for which God created each person, object, and relationship in my life and living in harmony with them

*Thanking God for my design brings **SELF-ACCEPTANCE**.*

2. The Principle of AUTHORITY

Recognizing that God works through human authorities to accomplish His purposes and to give me protection, direction, and provision

*Honoring my authorities brings **INWARD PEACE**.*

3. The Principle of RESPONSIBILITY

Realizing that I am responsible to God for all my thoughts, words, actions, attitudes, and motives and that I must clear up every past offense against God and others

*Asking for forgiveness brings a **CLEAR CONSCIENCE**.*

4. The Principle of SUFFERING

Welcoming the chastening of the Lord and the sorrows and hurts of life as necessary for my maturity and future leadership

*Forgiving offenders brings **GENUINE JOY**.*

5. The Principle of OWNERSHIP

Knowing that everything I have or will have is entrusted to me by the Lord and is to be used in ways that will benefit the Lord and the lives of others

*Yielding my rights to God brings **TRUE SECURITY**.*

6. The Principle of FREEDOM

Enjoying the desire and the power to do what is right rather than claiming the privilege to do what I want

*Regaining surrendered "ground" brings **MORAL PURITY**. (See pp. 76–81.)*

7. The Principle of SUCCESS

Filling my soul with the Scriptures so God is able to direct my daily decisions according to the wisdom of His Word
